This year saw an unprecedented number of entries, and although I managed to squeeze in an extra 14 archers I still had to turn another 25 away.

But even shooting with three details on the younger targets the archers still managed to finish the round in plenty of time.

I was very proud of the way that so many younger archers were able to shoot with such discipline, particularly as the shooting line was so crowded.

A very BIG thank you to all of those adults that helped with the scoring (very impressed with your arithmetic), and to those who helped to clear away the targets.

A HUGE thank you to those Abbey members that gave up their Sunday afternoon to help, and also to those who helped to set up the targets, and to my Lady Paramount, Mary.

Thanks to Julian Craxton for his part in organising this tournament, and for his herculean efforts in setting up and looking after so many Edge Grove archers.

Thank you to all of those people donating raffle prizes, and a special thanks to my Judge and target captain Dave Holland for keeping the event running so smoothly.

But to all of the archers, and parents, thank you all for making this event so successful and enjoyable.

Hope to see you all again next year, when we hope to run two sessions to fit everyone in and to make the shooting line a little less crowded.
